**Fast Trans**  
G m b H

a modern, dynamic shipping company located at Zurich Airport which guarantees the efficient handling of all services on offer. Count on our professional team which will support you in all shipping issues and provide you with a complete package of services.

Our service offer sets itself apart from others through its particular flexibility: We can meet individual special requests just as reliably as completely everyday types of transport; we handle large shipping tasks just as carefully as small ones. A committed team is waiting for you, which masters any challenge.

Therefore, you can fully trust us with all your forwarding and logistics needs. We will not disappoint you, because all of our staff members are part of the above philosophy and give 100% every day – to your benefit!

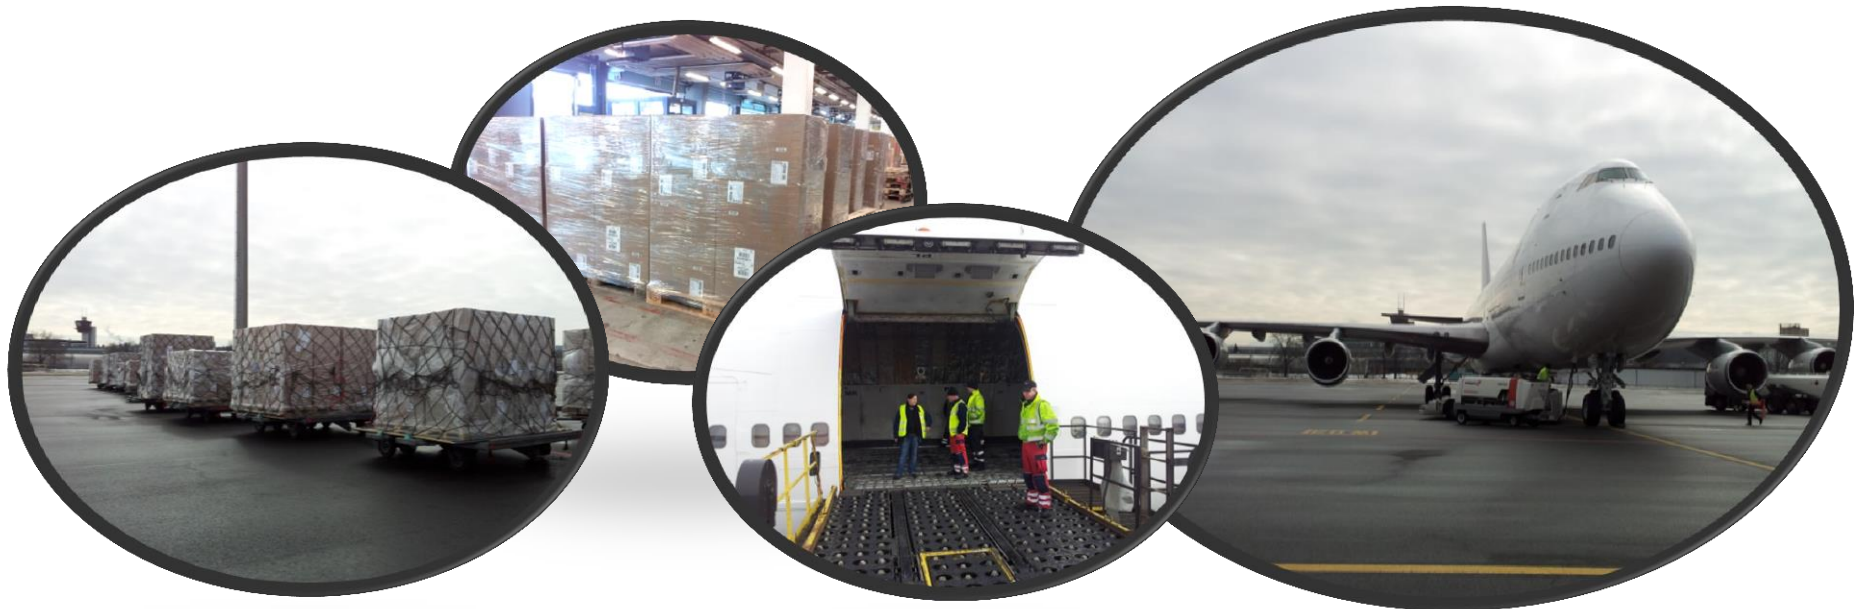

# Vision

# Unaccompanied excess baggage

When you travel by plane, airlines normally carry approx. 20 kgs of your luggage as «checked baggage» free of charge.

For any additional luggage, travellers have to pay excess baggage charges, which are very expensive.

FTG has the solution this problem: the «unaccompanied baggage» System. This system allows the passenger to bring extra luggage in unlimited quantities at much lower cost than the «excess baggage charges» levied by the airlines upon check-in.

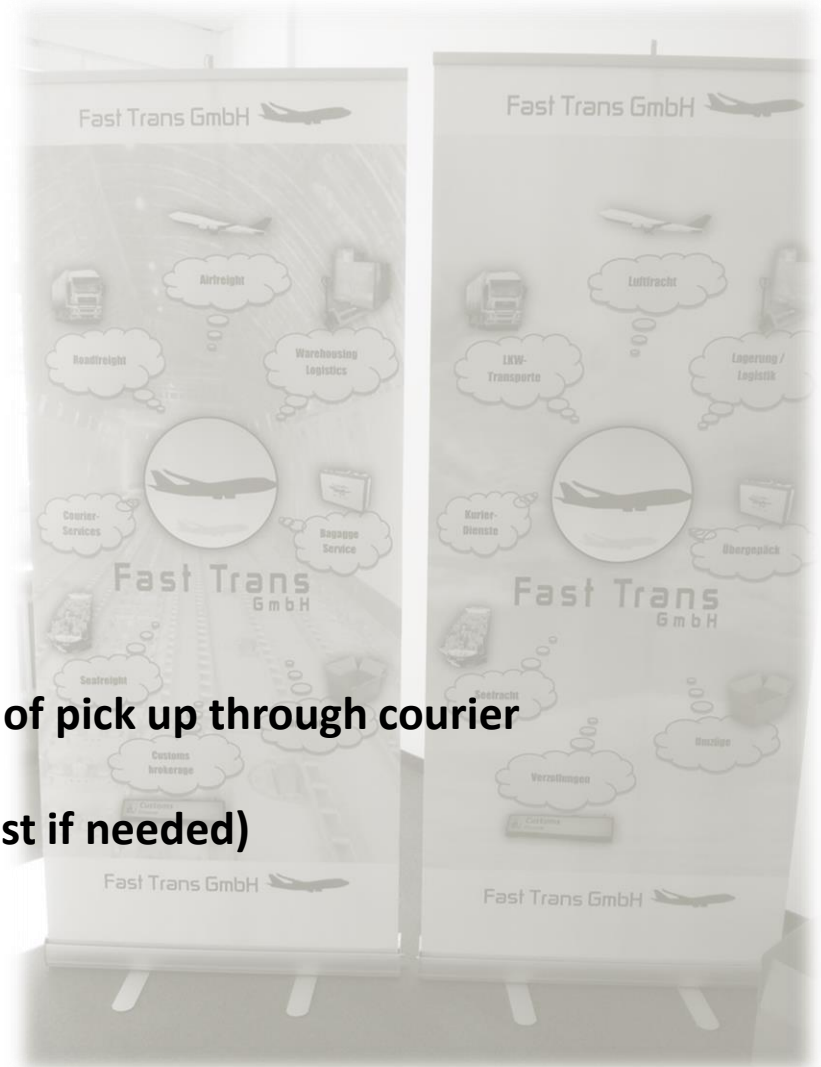

- Your baggage fly as cargo to cheap conditions
- Chose of perfect Airline based on your requests such reliability, Speed, Freight properties and price
- Clearance
- Temporary Storage, labelling, eventually reweight and measuring of goods
- Delivery of the goods to Airline

# Courier Shipments

- Custom clearance
  - If needed new packing of goods
  - Issue of courier documents incl. organization of pick up through courier
- (change of documents, new Invoices, packing list if needed)

# Truck Transport

**Complete handling of full or partial truck loads throughout Europe. You can fall back on our excellent network for partial and complete loads throughout Europe. We collaborate with different professional shipping companies and find the one partner who meets all your requirements for every task.**

- Selection of the most suitable transport company, based on the merchandise type and your specific needs
- Handling of all customs formalities while taking into account all legal provisions
- Complete coordination, monitoring and controlling of the entire transport process
