World Insurance Services Announces Strategic Partnership with Hanseatica to Expand Insurance and Risk Management Solutions Across The Americas

The alliance offers exclusive insurance and risk management solutions to members of WCAworld and its affiliated networks across the region.

World Insurance Services (WIS), the exclusive, in-house insurance broker and consultant for WCAworld and its affiliated networks, today announced a new strategic partnership with Hanseatica, a leading insurance provider in The Americas, to bring specialized transport insurance and risk management solutions to members operating across 17 countries in Latin America, including Mexico, along with Florida (USA).

The alliance combines WCAworld's international backing with Hanseatica's deep expertise on the ground, offering members comprehensive support in protecting cargo, managing risk, and maintaining business continuity, wherever they operate.

Members can now access:

- **Built for the region:** deep knowledge of local markets, close and specialized attention, and solutions adapted to each country's operating realities
- **More than insurance, a protection strategy:** specialized advisory, preventive risk management, and efficient claims support at every step
- **Agility and efficiency:** streamlined quote requests, certificate issuance, document management, and centralized communication

"Our members have been asking for coverage that actually understands their world: the customs, the regulations, the day-to-day reality of moving

freight here. Hanseatica brings exactly that. I'm proud to bring this partnership to WCAworld and its affiliated networks, because it means real, local support backed by a team our members can trust," said David Yokeum, Chairman and Founder of WCAworld.

About World Insurance Services

World Insurance Services (WIS) is the exclusive, in-house insurance broker and consultant for WCAworld and its affiliated networks. Founded in 2015, WIS was built on the belief that every member deserves access to the best insurance protection, at the lowest possible cost, in a way that's easy to understand.

About Hanseatica

Founded in 2008, Hanseatica is one of the leading insurers in the region for transport and international trade-related insurance, with operations spanning 17 Latin American countries and additional coverage in the United States. The company is backed by international reinsurers, an extensive network of adjusters, and a team specialized in risk management and cargo transport. Hanseatica holds ISO 9001 certification and an AA- financial rating.

About WCAworld

WCAworld is the world's largest network of independent freight forwarders, connecting members across more than 190 countries and providing the tools, partnerships, and support needed to compete globally.
